

Does God send appointed children to lead us back to Him? If so, Leslie Schmidt must have been sent for that purpose. Her "anointed artwork", created after she was sight impaired and partially paralyzed, delivers powerful messages that pierce the prideful heart. God brought His little artist home when she was only seven years old, but her Spirit is timeless and endures today.

Dedicated in loving memory of Leslie Schmidt
- God's little angel

May you sit on the lap of Jesus and paint for eternity.

Jesus
is our
master.
